#### Says He Thinks He Would Rather Not Have Been Appointed.

sioner, of the Department of Street formally took charge of his occupied by Commissioner Brennan, which was adorned with a floral horseshoe sent by his late assoclates in the Excise Board.

There were also several letters and telegrams of congratulation, and a number of friends were waiting to shake hands with him and wish him

Among the callers was Capt, Whalen Cleaning Department under Commis sioner Beattis. From what Mr. Andrews said to him if sppears that he does not take hold of his new position with that enthusiasm expected in a new

W. S. ANDREWS.

beginier.

"I don't know whether I should receive congratulation or condolence," was his reply to Capt. Whalen, "and I don't know whether I would not have rather remained where I was.

Mr. Andrews admits that he does not know the first thing about street-cleaning or Street-Cleaning Department affairs. He does not say so, but it clear that he accepted the appointment to succeed Brennan without the slightest inquiry into the requirements of the office.

He knows there is a deficiency but

inquiry into the requirements of the office.

He knows there is a deficiency, but as to the extent of it, or whether it can be made up, or whether the city would have to go without clean sireets for the rest of the year, if the money gave out in November, he is unable to say. He frankly declares: "I know nothing about it."

Mr. Andrews did not even know the location of the office of the Street-Cleaning Department. He was going to take the elevator to the fourth floor of the Stewart Building where the Street-Cleaning Department offices used to be, if it had not been for an "Evening World" reporter, who gave him the proper directions. if it had not been words are him the world" reporter, who gave him the proper directions.

On arriving at his office he was met on the original was not been also as a second of the original was not been at his office his office him the property of the original was not been at his office him the property of the original was not been at his office him the property of the original was not been at him the property of the original was not been at him the property of the original was not been at him the property of the original was not been at him the property of the original was not been at him the property of the original was not been at him the property of the original was not been at him the origina

conversation with "The Evening World" reporter. He said:
"It will take me several days to familiarise myself with the business of the office, and until then I cannot say what I purpose to do. No. I can't say whather I will make any changes in the force, but you may state for me that everything that can be done will be done to clean the streets of the city.
"I am aware there is a deficiency in the funds of the Department. The ex-Commissioner, I understand, spent more money for the first six months of the year than the proportionate estimate for that period. In other words, he spent more than half of his appropriation in six months.
"What the deficiency amounts to I have not been informed. Economy and retrenchment will be necessary."

retrenchment will be necessary

How he proposes to save expenses
and keep a competent force at work is
a question Mr. Andrews was not pre-

a question Mr. Andrews was not pre-pared to discuss.

"The Evening World" on June 13,
made the announcement that Mr. Bren-nan had exceeded his estimated ex-pared to discuss.

The electric car tracks,
been raised, have again gone cracks in the foundations of nan had exceeded his estimated ex-penses, and "The World," by official figures taken from the Comptroller's books, showed that at the rate Brennan was spending money there would be a deficiency of nearly \$1,000,000 at the end of the year.

His appropriation was \$2,200,000, \$300,000 more than Beattle had, and he was

more than Beattle had, and he was spending the city's money at the rate of \$3,000,000 a year.

Breman's conception of management its summed up in the following answer to the question of a "World' reporter who asked him what he was going to do about his entangled financial sfairs and make up the impending deficiency: ficiency:
"We'll have the rents of two stables to draw on."

Men Who Asked Him to Drink.

of Twenty-sixth Street.

William Saltus, of 144 East Ninetcenth street, was held up and robbed as he was passing through Twenty-sixth street, between Broadway and Sixth avenue, at an early hour this morning by two men, one of whom he knew.

Saltus says that one of the men, named Henry May, who lives where he does, sprang upon him and secured him arms, while the other man, hamed J. J. the Stewart Building this O'Brien, dealt him a blow which felled He took his seat at the desk him to the ground and dazed him for

The pair then searched his pockets and, after taking his gold watch and

and, after taking his gold watch and chain, & in money and his keys, inade off. Policeman Reardon soon came along and Saltus told his story. He does not know where O'Brien lives, or anything about him.

Half an hour after May passed through Twenty-sixth street and began to search on the ground as if he were looking for something that was lost during the robbery. Reardon was immediately upon him, and he was marched to the police station. No trace could be found of O'Brien, and it is probable that he has Bed.

In the Jefferson Market Court to-day Justice Hogan held May for trial in default of \$2,000 ball.

Part of the stolen property was found

dustice Hogan held May for trial in default of \$2,000 ball.

Part of the stolen property was found in his possession.

Saltus says he has been the valet of a C. H. Prentiss, of \$41 West Twenly-third street. He says that he knew May, and had played pool with him. He met him with O'Brien late last night on Broadway and dwenty-sigh sasset. The two asked him to take a drink with them, he said, and he consented. They walked towards Sixth ayenue of the street was described, and as they salvanced Twenty-sixth streat grew salvanced Twenty-sixth streat grew darker. In the darkest spot the men attacked him. Saltus was scarcely able to speak for some time after the assault.

#### WILL CONDEMN THE WELL.

Residents Near Morningside Park to Be Stopped from Drinking the of Water.

President Wilson posted an analysti this morning made two days ago from a sample of water taken from a well and Twefity-second ktreet. The well contain water that was polsonous. found in large quantities. These indicate the presence of saline properties; common in vicinities where known to contain these constituencies, but as the rock in this neighborho does not contain the saline properties in large quantities if proves that there

This is also substantiated by the pres ence of free ammonta in an abnormal quantity and through the presence of is .0400, estimated in parts of 100,000 necessary. This was what was discos

On arriving at his office he was meet by Private Secretary McCarthy, who gave him the key to his desk. Then Chief Clerk J. Joseph Scully estorted him through the premises and introduced him to the clerks, superintendents and other employees.

The next ten minutes he devoted to a conversation with The Evening World reporter. He said:

"It will take me several days to familiarise myself with the business of the office, and until then I cannot say what I purpose to 40. No. I can't say whather I will make any changes in the whather I will make any changes in the

acts.

If any one can drink the water after
it has been tainted with this stoff.
Chemist Martin thinks he will have a
cast-iron system. The stoff is not dangerous if taken in the system, however,
as found in the well.

### CINCINNATI'S LANDSLIDE. Encroaching on the Canal -- More

Houses Threatened. CINCINNATI, "July 22.-The land slide on Brown street is gradually en croaching on the canal below, threat

The electric car tracks, which had cracks in the foundations of the house and the huge retaining walls are becoming longer each hour.

The land is not moving straight down but at an angle of thirty degrees across the hillside. The least jar will now be sufficient to start the endangered house down the hill.

An effort to set fire to these houses vesterday was stopped by neighbors. who had fears of a spreading conflagra tion. Defective sewerage is given as the cause of the slide.

but Companion Was Saved. DULUTH, Minn., July 23.—William fregg and John Clark started yesterday o cross Lake Superior from Lakeside o Iron River in a small boat, and when bout ten miler from shore they were truck by a squall and the craft cap

Both men clung to the bettom, but after a long time Gregg gave up and sank. Clark held on, and after floating for more than ten hours in the low water, drifted ashore on the north side of the lake.

of this village yesterday morning and of this village yesterday morning and robbed of 4400. The robbers shot her, slightly wounding her. They also shot at her son, but missed him.

A posse is searching for them, and they are now hemmed in in a neck of the woods.

FAIR AND CLEAR

- that's the way
your skin will be,
if you'll take Dr.
Pierce's Golden
Medical Discovery.
Pimples, blotches,
eruptions, and humors are utterly
banished by this
medicine. It takes
away, more thor-

medicine. It takes away, more thoroughly and certainoughly and certainly than anything elae, the blood polsons or impurities that cause them.

For every Skin, Scalp, and Scrofulous affection, no matter how it came, the 'Discovery' is a direct remedy. It cleanses, builds up, strengthens, and invigorates every part of the system. Ecroma, Erysipelas, Salt-rheum, Tetter, Boils, Carbuncies, Enlarged Glands, and the worst Scrofulous Sores and Swellings are complessly and permanently cured by it.

United and the permanently cured by it.

Miss Jennie Denyse, of Tottenville, S. L. was the only occupant of the women's cabin on one of the Staten Island boats bound for this city, a siender, middle aged man, with sandy whiskers, entered the cabin and, she says, insulted her.

Miss Denyse, compliance to the deck the cabin and when the boat reached this city Policeman O'Donnell, of the First Precinct, arrested the man. He was taken to the Tombs Court, where he said he was George T. Tuenpenny, of Tottenville, S. L. He is employed in the mail service and carries the mail from Staten Island to this city. He denied the cabin and when the boat reached the was George T. Tuenpenny the cabin and the cabi

Staten leannd to this city. He denied the charge. Justice Martin held him for examina-tion on Monday.

#### CHARGED WITH HOMICIDE. Thompson Dies After the Fight with James Bolton.

James B. Bolton, of 127 White street, who has been out on ball for six months charged with assaulting Samuel Thomp son, of 442 West Forty-second street was before Justice Martin in the Tombs Court this morning charged with homicide. Thompson when assaulted was taken

to the Chambers Street Hospital, and to the Chambers Street Hospital, and subsequently removed to the Trinity Hospital, in Varick street, where he lingered until last night, when he died.

The men were employed at 43 Warren street. During the quarrel Thompson was knocked over a railing, and fell into a deep cellar. When he wife learned of his death last night she notified the police, and Folton was locked up.

Justice Martin sent the prisoner to the Coroner's office, where he was held to await the result of the autopay.

Bank of Creeted Buttle Euspende. CRESTED BUTTE, Col., July 21.-The Bank of Crested Butte closed this morning after a quiet run on the institution for several days. The assets are \$65,000, lia-bilities, \$35,000.

President O'Malley expects a steamer rangements could be made for boxes for tacking party, who thereupon fled pre-cipitately back to town. The Club is preparing for an interna-

tional pugilistic carnival, and expects t present in succession in its arena in December three great foreign stars Two have already been secured and negotiations are new on with the third If the events are brought off as planned the Club will expend in purses and incidental expenses, over \$100,000 carnival will eclipse the big trio of contests at New Orleans.
VALPARAISO, Ind., July 22.—Gov.

Mathews, asked Judge Gilliette, of the Porter Lake Circuit, to give his views oncerning the best way, so far as the the Columbia Athletic Club in its violation of law. His answer was:

tion of law. His answer was:

"It is plain, that the act of the late General Assembly authorizing the organization of associations such as the Columbia has not operated to repeal or modify any criminal law. The natural way of dealing with such offenders would be by arrests and prosecutions.

"When the Court meets in September the Grand Jury will be called at once and I shall give that body to inderstand what i'm duty is in no uncertain terms, and shall expect your co-operation in providing funds for the extradition in providing funds for the extradition of the indicted persons; and it is the duty of the Attorney-General to prosecute all such suits instituted by the State of Indiana when he is required so to do by the Governor of Indiana."

### SHEEHAN LIKES MAYNARD.
